Suitable age:	18-36 Months	Battery:	6V 4.5Ah,1xBattery
Capacity:	under 45lbs(20kgs)	Size of car:	70x42x47cm
Speed:	2.5km/H	Charging times:	300 times
Charger: Input:	AC 120V 60HZ	Output:	DC 6V 500mA
Charging time:	8-10 Hours		

"California Proposition 65 Warning" WARNING:

This product's battery contains or emits chemicals known to the State of California to cause cancer and birth defects or other reproductive harm.

If you have any question, please call the Redman and Associates service phone #1-877-901-8811 instead of returning to the retailer where purchased.

⚠ WARNING!

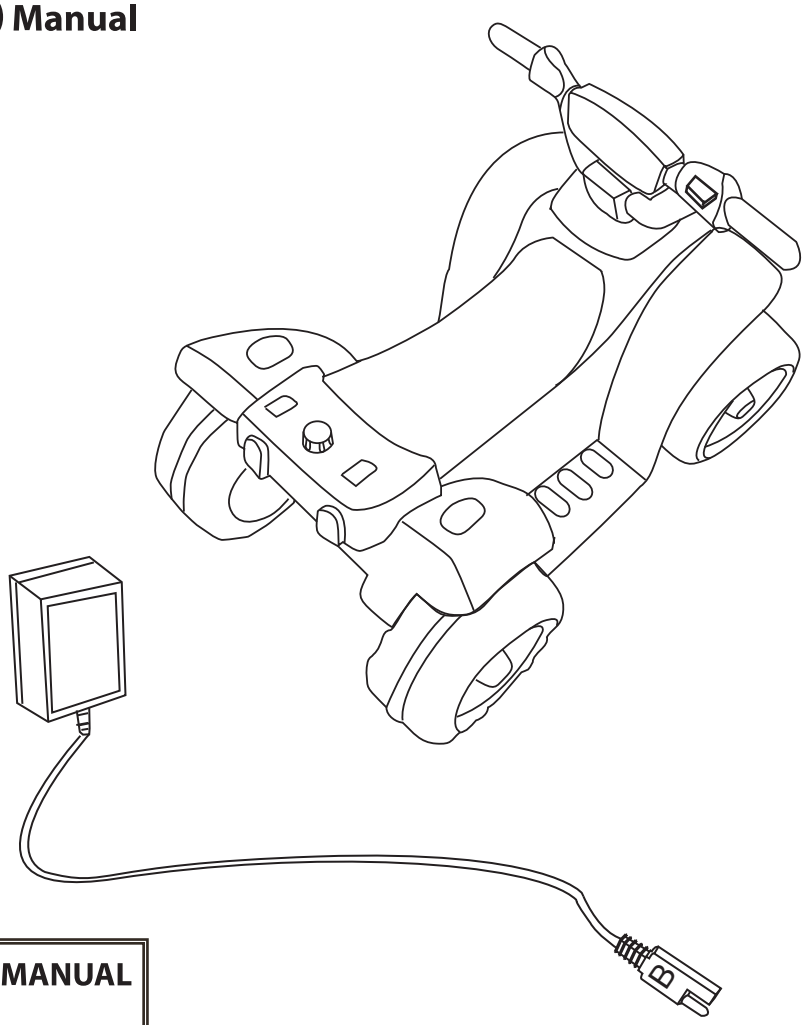
- To reduce the risk of injury, adult supervision is required. Never use in roadways, near motor vehicles, on or near steep inclines or steps, swimming pools or other bodies of water. Always wear shoes and a helmet.
- Never allow more than 1 rider.
- TO PREVENT FIRE AND ELECTRIC SHOCK:
  - Only use battery and charger provided and specified by manufacturer. Use of the wrong type of battery for charger could cause a fire or explosion.
  - DO NOT use the battery or charger for any other product. Overheating, fire or explosion could occur.
  - NEVER modify the electric circuit system. Alterations could cause a shock, fire or explosion.
  - DO NOT allow any type of liquid on the battery or its components. Explosive gases are created during charging. DO NOT charge near heat or flammable materials. Charge in a well ventilated area ONLY.
- Charge the battery in a dry area ONLY.
- DO NOT open the battery. Battery contains lead acid and other materials that are toxic and corrosive.
- DO NOT open the charger. Exposed wiring and circuitry inside case may cause electric shock.
- ONLY ADULTS may handle or charge the battery. NEVER allow child to handle or charge the battery. Battery is heavy and contains lead acid (electrolyte).
- DO NOT drop the battery. Permanent damage to the battery could occur or cause serious injury.
- Before charging the battery, check for wear or damage to the battery, charger and the connectors. DO NOT charge the battery if any damage to parts has occurred. Replace with manufacturer's parts ONLY.
- DO NOT allow the battery to drain completely. Recharge the battery after each use or once a month if not used regularly.
- DO NOT charge battery upside down.
- Always secure the battery with the bracket. Battery can fall out and injure a child if the vehicle tips over.
- **If a battery leak develops,** avoid contact with the leaking acid and place the damaged battery in a plastic bag. See information in "Disposal of Battery" for proper disposal.
- **If acid comes in contact with skin or eyes,** flush with cool water for at least 15 minutes and call a physician.
- **If acid is internally ingested,** give water, milk of magnesia or egg-white immediately. Never give emetics or induce vomiting. Call a physician.

If you have any question, please call the Redman and Associates service phone #1-877-901-8811 instead of returning to the retailer where purchased.

II. LIST OF PARTS

List of Parts

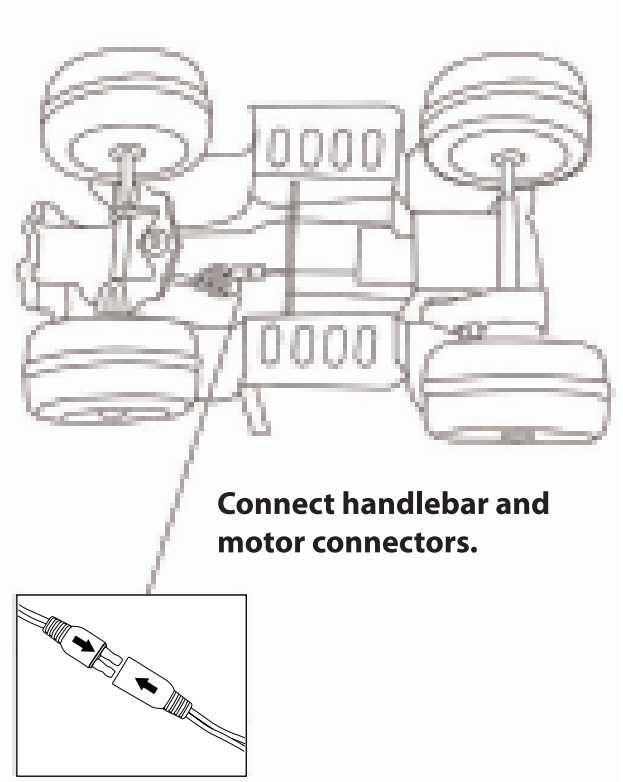
(1) Quad
(2) Charger - packed under the quad
(3) Manual



If you have any question, please call the Redman and Associates service phone #1-877-901-8811 instead of returning to the retailer where purchased.

III. ASSEMBLY

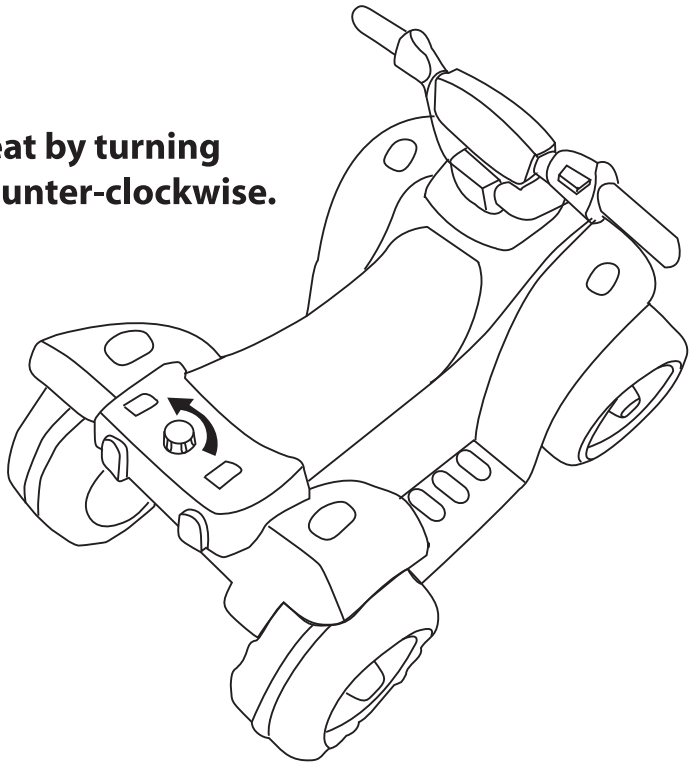
1.



Connect handlebar and motor connectors.

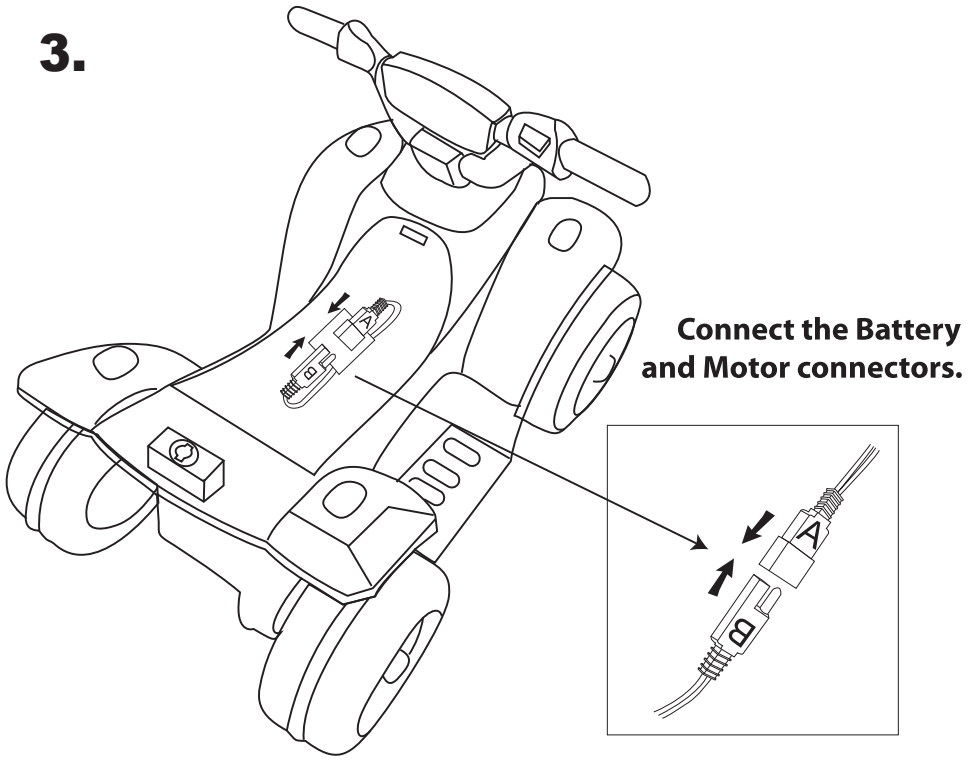
2.

Open the seat by turning the knob counter-clockwise.

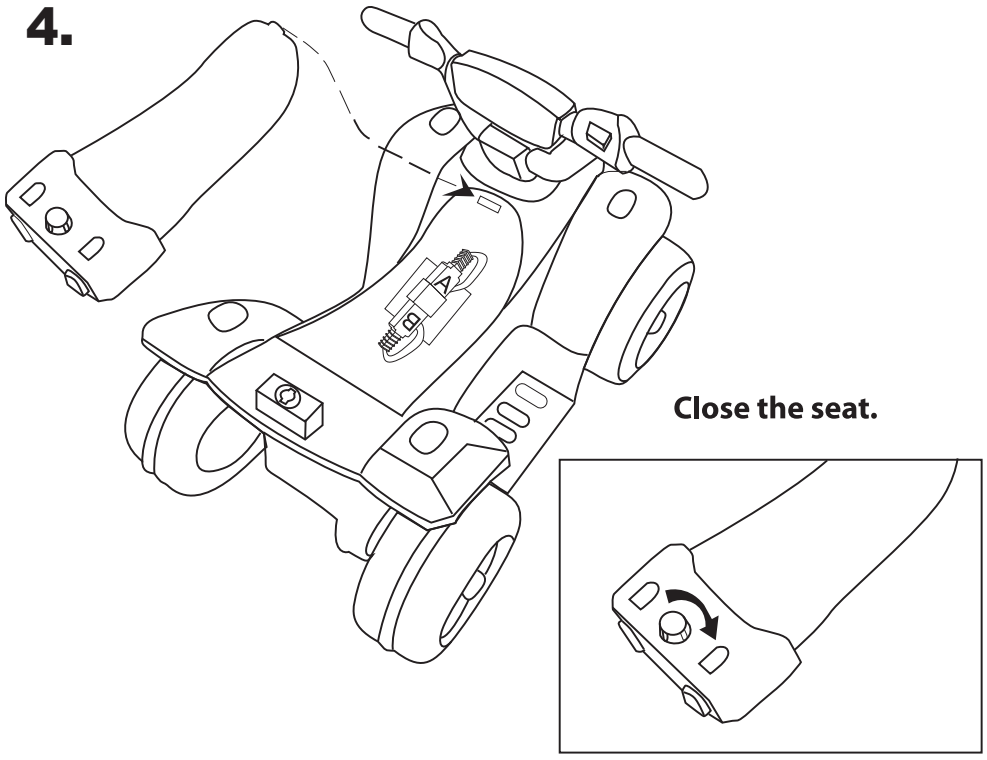


If you have any question, please call the Redman and Associates service phone #1-877-901-8811 instead of returning to the retailer where purchased.

3.



4.



If you have any question, please call the Redman and Associates service phone #1-877-901-8811 instead of returning to the retailer where purchased.

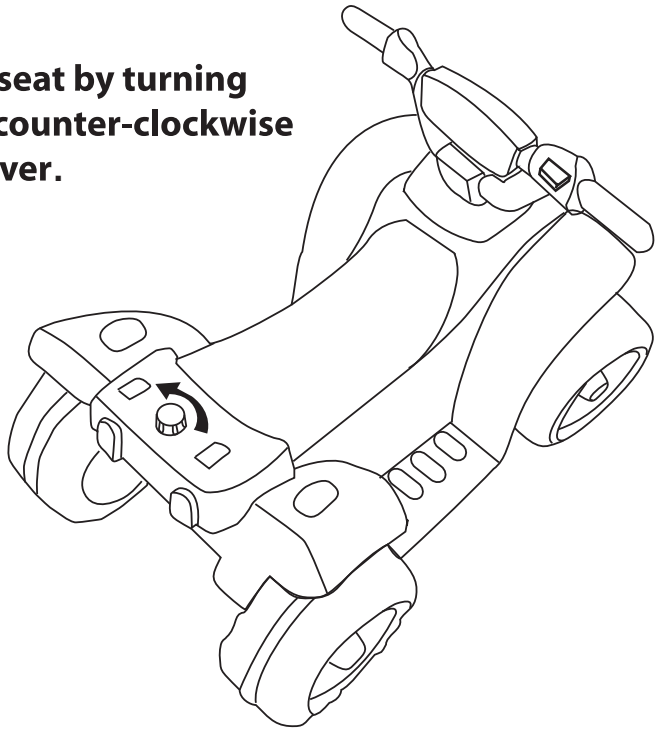
IV. BATTERY CHARGING

IMPORTANT! Before first time use, charge the battery for at least 10 hours.

Never charge the battery longer than 15 hours.

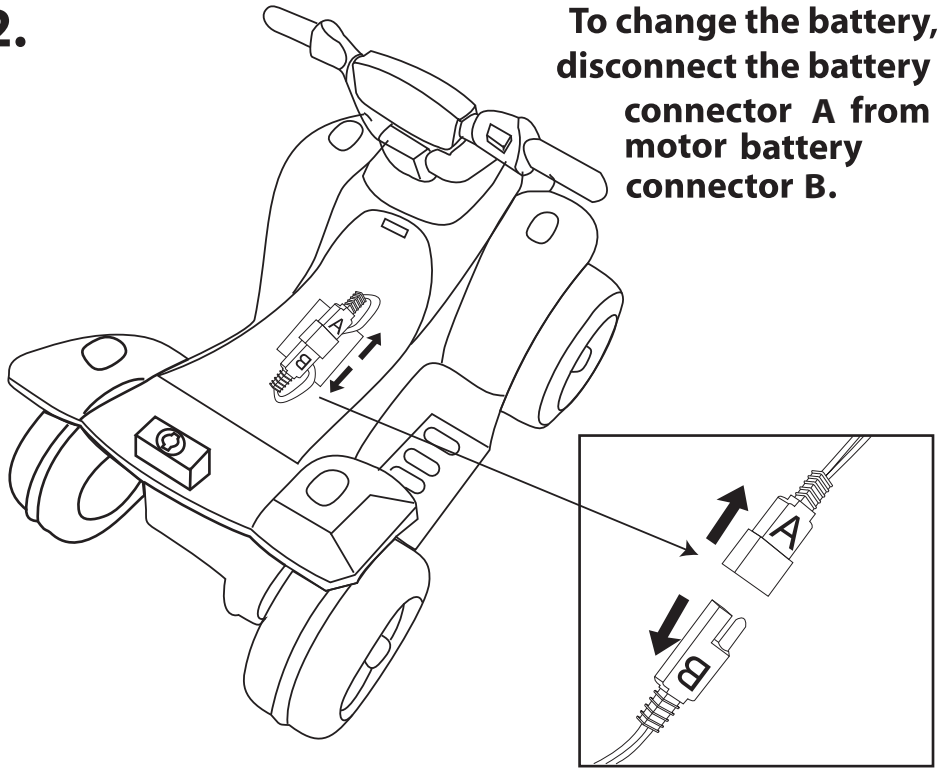
1.

Open the seat by turning the knob counter-clockwise and lift cover.



2.

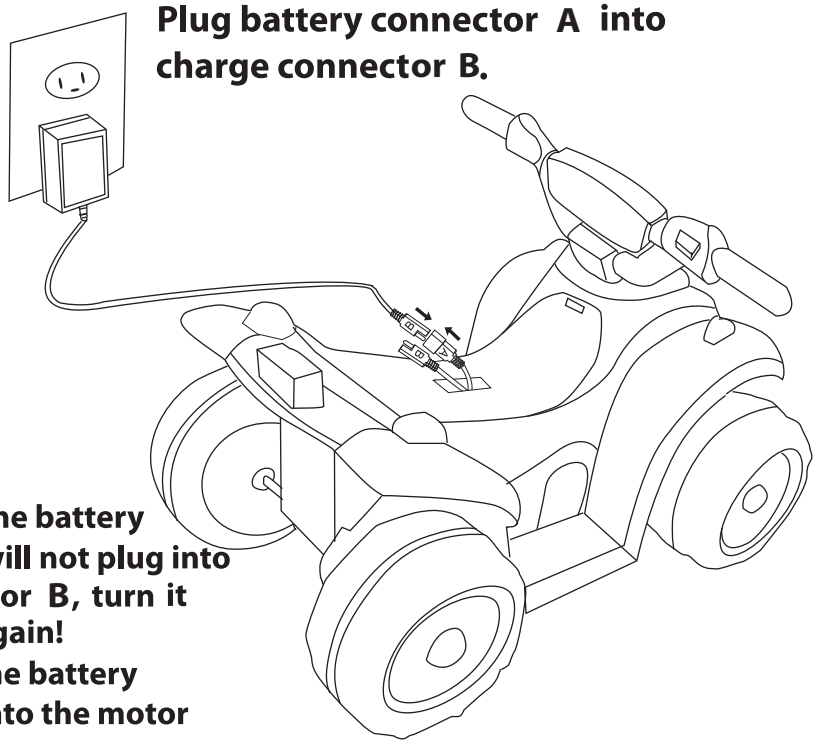
To change the battery, disconnect the battery connector A from motor battery connector B.



If you have any question, please call the Redman and Associates service phone #1-877-901-8811 instead of returning to the retailer where purchased.

3.

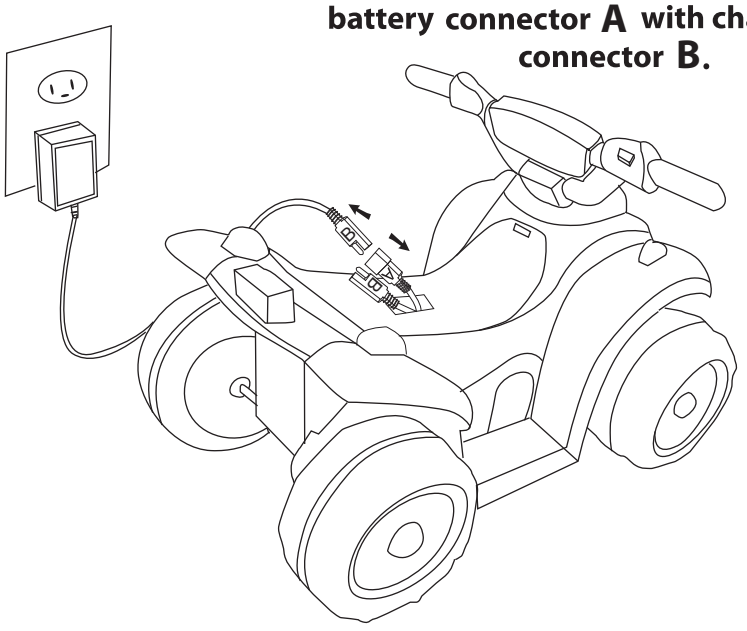
Plug battery connector A into charge connector B.



Important: If the battery connector A will not plug into motor connector B, turn it over and try again!
Do not force the battery connector A into the motor connector B.

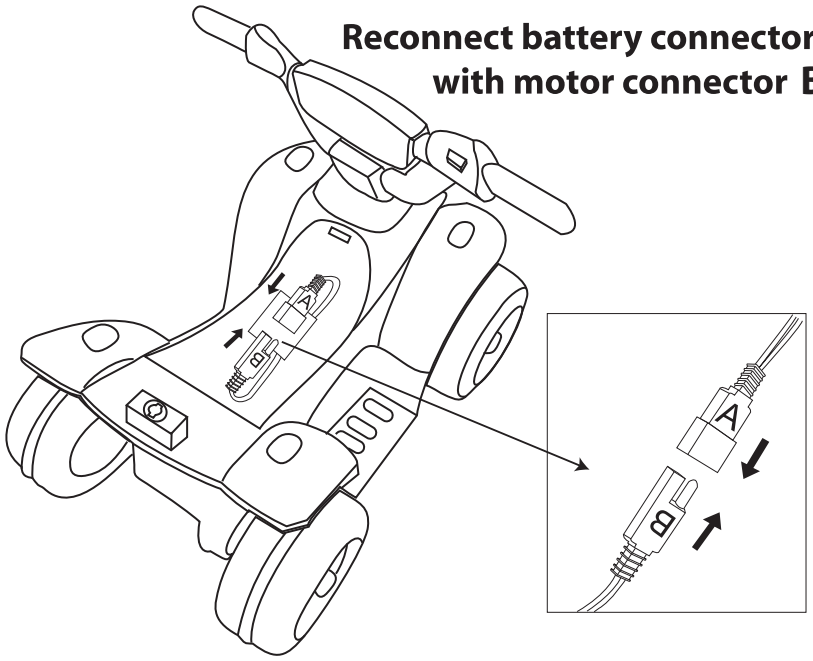
4.

Once battery is charged, disconnect battery connector A with charger connector B.

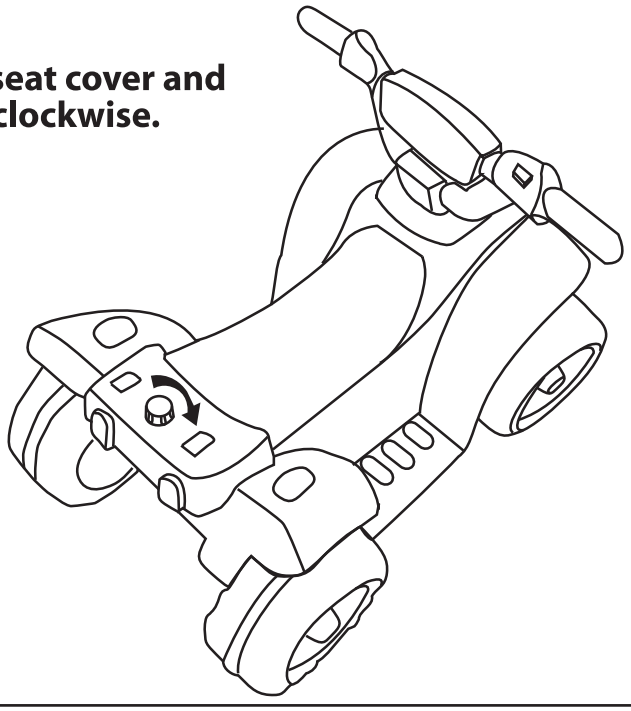


If you have any question, please call the Redman and Associates service phone #1-877-901-8811 instead of returning to the retailer where purchased.

5. Reconnect battery connector A with motor connector B.



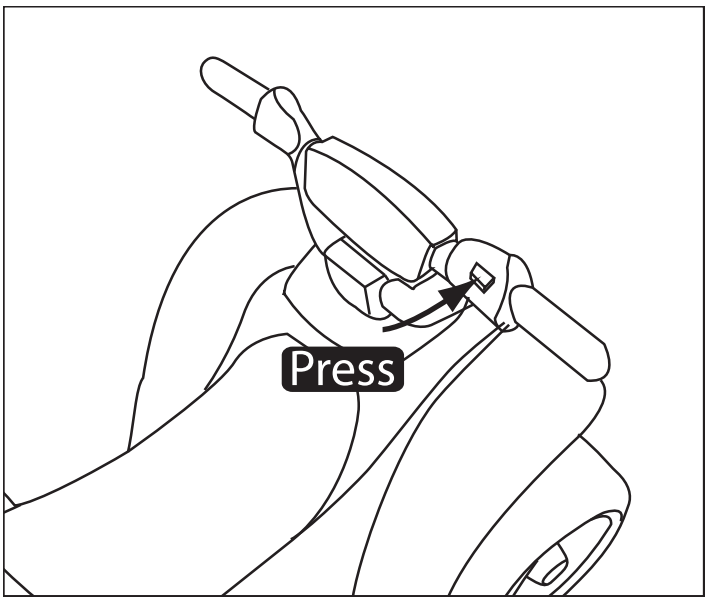
6. Close seat cover and turn clockwise.



If you have any question, please call the Redman and Associates service phone #1-877-901-8811 instead of returning to the retailer where purchased.

V. OPERATING FEATURES

Press button to go, release button to stop.



⚠ WARNING!

This quad is equipped with a self-resetting built-in thermal fuse. Please see page 12 for more details.

VI. SAFETY SPECIFICATIONS

1. Your new battery must be charged for at least 10 hours before you use it in your vehicle for the first time. We recommend that you start charging your battery before beginning assembly of your new vehicle.
2. The child must have Adult supervision at all times.
3. Do not ride on the road, footpaths, near pools, or bodies of water.
4. Do not allow children under the suitable age to ride the vehicle; please refer to the age grading.
5. Do not allow rider greater than the recommended weight rating or overaged children to use the vehicle.
6. To "stop" you must take your hand off the button.
7. Charging should only be done by an adult.
8. An adult must teach the child how to operate the vehicle.
9. Do not ride on slopes greater than 15 degrees, nor on sand or other soft, wet or slippery surfaces.
10. Do not use a different sized battery.
11. The vehicle is designed to load only one person. Overload is prohibited.
12. This product should be assembled and checked by adults before use.
13. Don't wash the vehicle with water. Just clean it with a cloth.

If you have any question, please call the Redman and Associates service phone #1-877-901-8811 instead of returning to the retailer where purchased.

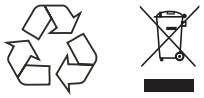
VII. SIMPLE REPAIRS

1. If the car won't start:
- Make sure all wires are connected.

2. If the speed is too slow:
- Battery needs to be charged.

3. If the battery won't charge:
- Make sure you are using one 6-Volt battery in the vehicle.
- Battery may need to be replaced.
- Check to see if charger is damaged. Never use a charger with torn wires.

Disposal of Battery



- Your battery is a non-spillable sealed lead-acid battery. It must be recycled or disposed of in an environmentally sound manner.

- Do not dispose of a lead-acid battery in a fire. The battery may explode or leak.

- Do not dispose of a lead-acid battery in your regular household trash. The incineration, landfilling or mixing of sealed lead-acid batteries with household trash is prohibited by law in most areas.

- Return an exhausted battery to a federal or state approved lead-acid battery recycler. Contact your local waste management officials for other information regarding the environmentally sound collection, recycling and disposal of lead-acid batteries. If you live in the State of Florida or the State of Minnesota, it is prohibited by law for anyone to throw away lead-acid batteries in the municipal waste stream.

If you have any question, please call the Redman and Associates service phone #1-877-901-8811 instead of returning to the retailer where purchased.

VIII. Maintaining your vehicle

- Occasionally use a lightweight oil to lubricate moving parts such as wheels and the steering linkages.

- Park the vehicle indoors or cover it with a tarp to protect it from wet weather.

- Keep the vehicle away from sources of heat, such as stoves and heaters. Plastic parts may melt.

- ADULTS ONLY: recharge the battery after each use. Recharge the battery at least once a month when the vehicle is not being used.

- DO NOT wash the vehicle with a hose. DO NOT wash the vehicle with soap and water. DO NOT drive the vehicle in rainy or snowy weather. Water will damage the motor, electric system and battery.

- Clean the vehicle with a soft, dry cloth. To restore shine to plastic parts, use a nonwax furniture polish. DO NOT use car wax. DO NOT use abrasive cleaners.

- DO NOT drive the vehicle in loose dirt, sand or fine gravel, which could damage moving parts, motors or the electric system.

IX. ABOUT THERMAL FUSES

Your Power Quad 6 Volt battery is equipped with a built-in thermal fuse. The thermal fuse is a self-resetting safety device which automatically "trips" and shuts down operation of the vehicle if the vehicle is overloaded or the driving conditions are too severe. Once a fuse has "tripped", **DO NOT CONTINUOUSLY PUSH ON THE POWER BUTTON.** It will automatically reset itself after approximately 2 minutes and allow the vehicle to resume normal operations. To avoid repeated automatic shutdown, do not overload the vehicle by exceeding the 45 lbs(20kg.)maximum weight capacity or by towing anything behind the vehicle. Avoid severe driving conditions, such as driving up slopes or running into fixed objects, which can cause the wheels to stop spinning while power is still being supplied to the motor.

LIMITED WARRANTY

Your Electric Vehicle is warrantied by Redman and Associates, LLC. for 90 days from the date of original purchase against defects in materials or workmanship. This warranty covers normal use and the coverage is not extended if the unit was damaged by unreasonable use, neglect, accident, abuse/misuse, improper service or other causes not arising out of defects in material or workmanship. This warranty does not cover any liability claims for breach of warranty.

Please save your receipt from the original purchase in case of any warranty claims.

Should you need service or assistance with your vehicle during the warranty period,
Do not return the vehicle to the store. Please call our Customer Care Center at:

Phone: 1-877-901-8811
Fax: 1-479-271-6549
Email: customersupport@redmanandassociates.com
Website: www.redmanandassociates.com
9:00 am to 5:00 pm CST Monday through Friday.

Do not send any vehicles back to Redman and Associates, LLC without a pre-approved authorization number.
All returns must be sent pre-paid and customer is responsible for all other related shipping and handling charges.
This warranty gives you specific legal rights.

If you have any question, please call the Redman and Associates service phone #1-877-901-8811 instead of returning to the retailer where purchased.
